## **Cycling - Mountainbiking - G P S Tracks**

### Mountainbike-Arena Murg-/Enz valley

Enzklösterle is the gateway to the new mountain biking stomping ground in the Black Forest: the mountain bike arena of Murg-/Enz valley. It's a mountain biker's dream with around 800 kilometers of excellently marked mountain biking trails for all difficulty levels. Routes to download as well as GPS-Tracks and descriptions of mountain biking routes you will find in the internet on [www.enzkloesterle.eu](http://www.enzkloesterle.eu), [www.bikearena-murgenz.de](http://www.bikearena-murgenz.de) or [www.naturparkschwarzwald.de](http://www.naturparkschwarzwald.de).

**The Tourist Info has put together 14 different tour suggestions in the mountain bike arena of Murg-/Enz valley for you in our free mountain bike flyer. The map suggestion would be the mountain biking map of the mountain bike arena of Murg-/Enztal with a scale of 1:30.000. The map diagram has been newly redesigned and offers information about trail terrain as well as inclines and declines. The map is also of course GPS compatible. The 14 tour suggestions are arranged on small, separate tour cards that fit in a jersey pocket. The map is available at the Tourist Info of Enzklösterle or at the campsite reception office for little charge.**

### Cycling tours of various difficulty levels

Woods, water and wine - these terms typify the Enz Valley bike trail. The trail goes from the spring of the Enz river in the northern Black Forest to the estuary in the Neckar valley through a diverse cultural landscape: forested mountains, impressive river bends and valleys, rolling hills and vineyards all make up this beautiful area. The signposted trail going through this area is about 115 km long and can be traversed comfortably by people of all age groups. More information can be found on [www.enztalradweg.de](http://www.enztalradweg.de). The free maps of the Enz Valley bike trail, of the Mountainbike-Arena Murg-/Enz valley and the hiking map of the northern Black Forest are offered at the Tourist Info or at the campsite reception office.

The campsite *Müllerwiese* can be your starting point for a lot of smaller or bigger cycling or mountainbiking tours through the surroundings of Enzklösterle, nature park Northern Black Forest. It's a cyclist's dream: breathtaking climbs, speedy descents, technically demanding trails, varied terrain, **GPS routing** and well marked cycling trails for all difficulty levels from beginner to professional. Also for families the terrain around Enzklösterle is ideal for easier tours through valleys or over the highlands with little difference in altitude.

## Bikepark Bad Wildbad

Downhill riding at its finest awaits you in the bike park of Bad Wildbad (12 km from the campsite Müllerwiese). The landmark mountain of Bad Wildbad, the Sommerberg mountain, is considered a well kept secret of mountain biking fans. The topography of the Sommerberg mountain, the mountain trail, and both ski lifts offer ideal conditions for fans of biker X, dual slalom, free ride, or downhill stretches.
