

suggestions in the mountain bike arena of Murg-/Enz valley for you in a **free mountain bike flyer**. We recommend to buy the **mountain biking map** of the arena with a scale of **1:30.000**. The **map diagram offers information about trail terrain and the inclines and declines**. The map is also of course GPS compatible. The 14 tour suggestions are arranged on small, separate tour cards that fit in a jersey pocket. Ask for it at the Tourist Information of Enzklösterle or at the campsite reception.

Bikepark Bad Wildbad

Downhill riding at its finest awaits you in the Conti-Bike-Park of Bad Wildbad (12 km from the campsite *Müllerwiese*). The landmark mountain of Bad Wildbad, the mount Sommerberg, is considered a well kept secret of mountain biking fans. There the topography, the mountain trails, and both ski lifts offer ideal conditions for fans of biker X, dual slalom, free ride, or downhill stretches on 7 different trails. More information on www.bikepark-bad-wildbad.com

Cycling – Mountain Biking – G P S-Tracks

The campsite *Müllerwiese* is an ideal starting point for a variety of cycling tours in the surroundings of Enzklösterle. The charming landscape with extensive forests and idyllic Black Forest valleys makes cycling a fascinating experience. Due to its topographic location, our region offers **the right choice for every taste**: demanding, varied routes with steep ascents and rapid descents, but also family-friendly, simple bike tours with only small differences in altitude.

In order to give you an impression of the various possibilities of cycling in the region around Enzklösterle you will find suggestions for possible tours with the starting point campsite *Müllerwiese*.

You can download the described tours as GPS tracks directly in the .gpx format for your GPS navigation device from our website www.muellerwiese.de, chapter Cycling.

By the way, on the campsite *Müllerwiese* your bicycles can be accomodated dry and safely.

Cycling tours for families and untrained people

Tours within the village

From the campsite, turn left onto Hirschtalstrasse to the **red deer enclosure**. Cycle around it and take the path above the little mountain brook "Hischbach" and then along the "Gernsbacher Steige" down to the campsite (**about 2 km**)

Along the Enz River you will enter the beautiful **Rohnbachtal** with the historic **Rombachhof (back and forth about 6 km)**.

The idyllically situated old rafts men lakes Kaltenbachsee and Poppelsee (no swimming lakes) near the districts of Gompelscheuer and Poppeltal (**back and forth about 10 km**) as well

as the children's favorite, the toboggan run in Poppeltal (**back and forth about 10 km**) can be reached without great effort.

Family Tour

Starting point campsite *Müllerwiese* (altitude 600m) – on **Enztalradweg** (the Enztal Cycle Route) to Bad Wildbad – in an observation car the funicular up to mount Sommerberg – to Lehenhütte – further on to the forest Restaurant **Grünhütte** – Leonhardhütte – **Schwarzmiss**, **Kaiser-Wilhelm-Turm** (tower, altitude 1000 m, fantastic view), nature resort lake **Hohloh** – Viereichenhütte Rombachhof – Enzklösterle, back to campsite *Müllerwiese*.

Whole distance 38.5 km; rising altitude 380 m.

Enztalradweg

The marked Enztal Cycle Route leads over 115 km from Enzklösterle over Bad Wildbad, Höfen, Neuenbürg, Pforzheim to Walheim. The distance between Enzklösterle campsite *Müllerwiese* and Bad Wildbad center is about 12 km and is completely asphalted. (See also "Family Tour")

Create / select bike tours yourself

With the help of a topographical map of our area, the **free map for the Enztal Cycle Route** (Enztalradweg), the **Enzklösterle hiking map** (Wanderkarte Oberes Enztal) (available in the campsite reception and the Tourist

Information) and the **cycling map of District Calw** (Radwandern Landkreis Calw) you can also plan or choose your cycling tour.

However, different cycling tours have already been worked out for you. For example, the **17 cycling tours in the Northern Black Forest** (17 Radtouren im Nördlichen Schwarzwald) offer several, very well-described and varied cycle routes, which run near or through Enzklösterle. The corresponding brochure can be found in the reception as a view copy (unfortunately only in German language).
